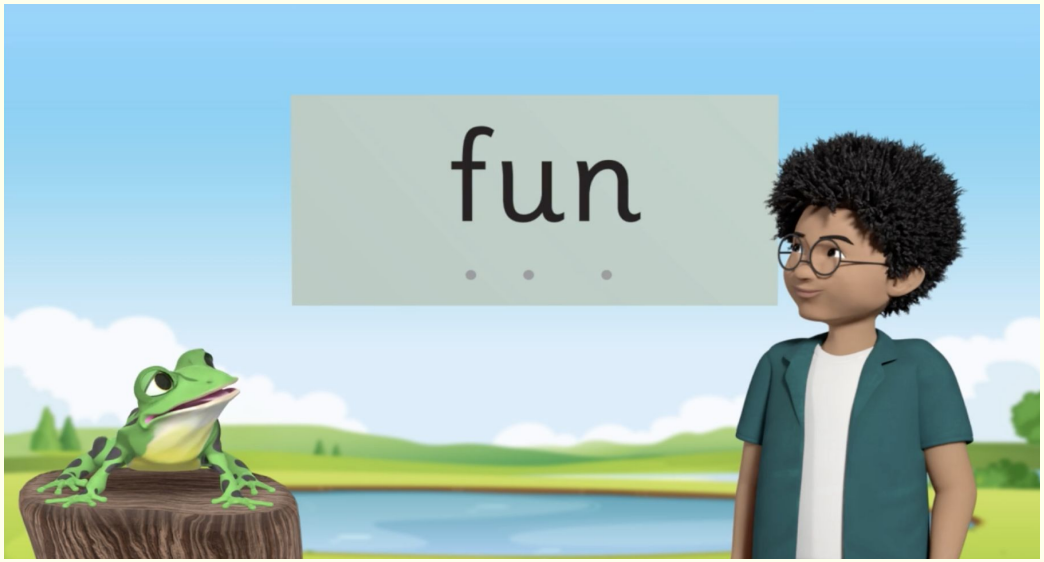
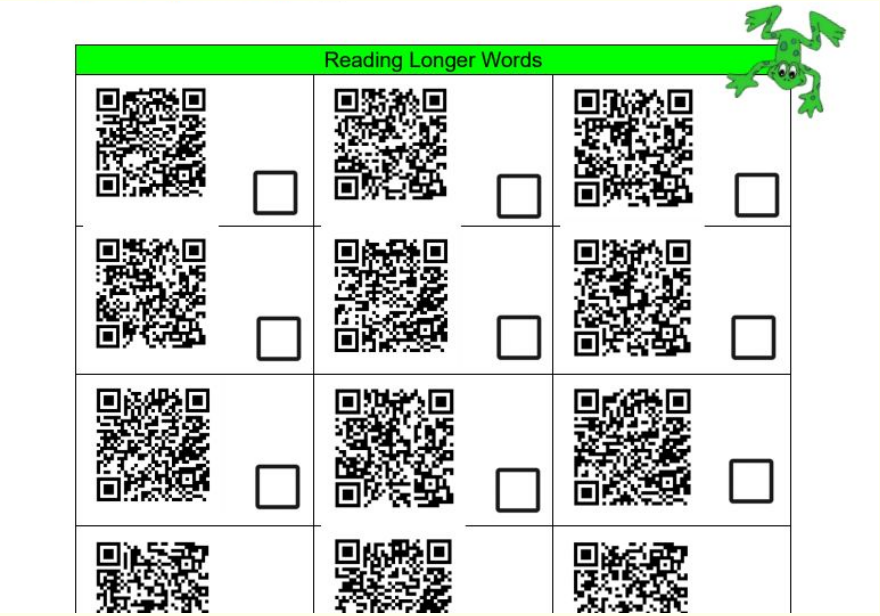
Virtual Classroom films





Read Write Inc.

How do I use the Virtual Classroom?

1. Set aside 10 minutes to watch a film with your child each day.
2. Find a quiet space for your child to watch the film on a laptop or tablet.
3. Praise your child as they join in with the lesson – make it fun!

The more they practise using these films, the quicker they'll learn to read.

"Snatchosaurus is a very dangerous dinosaur," she said.
"So it's obvious! We need to find an *even more* dangerous dinosaur to catch him!"

"But where can we find a dinosaur like that?" asked Stegosaurus, cautiously.

"We will make one!" came the reply.

So they got out their scissors, and their pencils, and their paper, and their card, and their paints, and their sticky tape ...
and they made ... a Catchasnatchosaurus!
And the famous Snatchosaurus was never seen again!

Vicky Peat
Hello Vicky, welcome to the Ruth Miskin school portal.

In 2019, researchers in the United States looked at the impact of parents reading with their children.

Here's how many words children would have heard by the time they were 5 years old.

At five years old:

Never read to - 4,622 words

1-2 times a week - 63,570 words

3-5 times a week - 169,520 words

Daily - 296,600 words

Five books a day - 1,483,300 words

Science Daily (2019)
https://www.sciencedaily.com/releases/2019/04/190404074947.htm

The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial.
