

# RIVERSIDE PRIMARY SCHOOL & NURSERY

## SPORTS PREMIUM STRATEGY JULY 2019 – JULY 2020

### WHAT IT IS

The government has chosen to invest in Primary School Physical Education and School Sport for 2020-2021. They have done this by offering each primary school £16,000 plus £5 per pupil to be spent in any way the school thinks best to improve the teaching and learning of PE and School Sport in their individual school.

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5-18 to engage in **at least 60 minutes of physical activity a day**, of which 30 minutes should be in school. **(KPI 1)**
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement. **(KPI2)**
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport. **(KPI3)**
4. Broader experience of a range of sports and activities offered to all pupils. **(KPI4)**
5. Increased participation in competitive sport. **(KPI5)**

### HOW WE ARE USING IT AT RIVERSIDE

We have used the funding at Riverside, to ensure that children have the most qualified teachers and instructors during their P.E. lessons. This has included buying in training and support for teachers and teaching assistants from our local sports partnership and external quality assured coaches.

- To raise the profile of PE within the whole school and develop a healthy and active lifestyle
- To ensure there are opportunities for all pupils to access at least ONE hour of exercise daily, through PE, Fitter Future, 5 a Day, Run a Mile and School enrichment clubs
- Some of the funding has been used to increase the range of extra-curricular activities and some to subsidise or fund a number of these clubs.
- In addition, we have used the money to develop and train Young Ambassadors and Sport Leaders
- We also have a School Games day for each Key stage and have been able to buy sports kit to use when we are representing Riverside School in School Sport Partnership events and playing against other schools.
- To maintain Gold mark status for the School Sports Mark
- The impact will be monitored by the PE leader in the first instance and overseen by the Headteacher.

Riverside receives £18,400 sports premium funding. Our total sports spend for 2019-2020 was £13,101.12p. The impact of this plan will be fully reviewed in the first term of September 2021

## IMPACT-2019-2020

Please note that due to Covid 19, school partially shut from April to July so impacts have not all fully been met but the impact has been noted and will be carried forward onto the Sport Premium Strategy for July 2020 – July 2021.

The impact column will be completed in:

Green for fully met

Amber for partially met

Red for not met at all
